

DR. WOODLEY WAS SELECTED AS ONE OF ED WEEK MAGAZINES LEADERS TO LEARN FROM

She has a proven track record of designing programs and interventions that increase productivity and performance taking organizations from where they are to where they want to be. Her life principle is to be a catalyst that ignites, motivates, and encourages individuals and organizations to reach their full potential. She is fulfilling her life principle by leading and supporting programs that make a difference in the lives of at promise youth and communities all over the world!
