Dr. Lateshia Woodley exhilarates audiences sharing her work leading positive change, turning around low-performing schools. She is recognized as a top voice in education and one of the nation's leaders to learn from.

Lateshia was an alternative school student and has dedicated her life to working with at promise students and school transformation initiatives. Lateshia's educational background includes a specialist degree in educational leadership and a doctorate degree in Counseling Psychology. She has been a teacher, school counselor, school improvement specialist, assistant principal, principal, and assistant superintendent.

Since 2008, Lateshia has worked as a turnaround leader helping to bring about positive changes in some of the lowest performing schools in Georgia and Missouri. She is CEO of Dynamic Achievement Solutions, LLC an International Counseling & Educational Consulting Firm where she is helping leaders transform schools around the world and working to develop trauma informed communities around the country. Her research interests include comprehensive school improvement, alternative education, dropout prevention, trauma and social and emotional learning.

Dr. Lateshia Woodley is an award winning international presenter and author, TEDX Featured Presenter, ASCD Emerging Leader, a mom, a glamma and a self-proclaimed Lead Dream Builder!
