ED ADVOCACY PRIORITIES FOR 2024-25

Transform education to meet the needs of the future, providing students the skills and experiences necessary to help them be productive and fulfilled global citizens.

#1: Preparing Students for their Future

#2: Pushing Back on Regressive Policies

Advocate for policies and legislation that respect our differences and help address diversity, equity & Inclusion, and poverty and school safety

Put in place programs, services and supports that promote staff and student well-being and foster healthy, hopeful mindsets and well-being

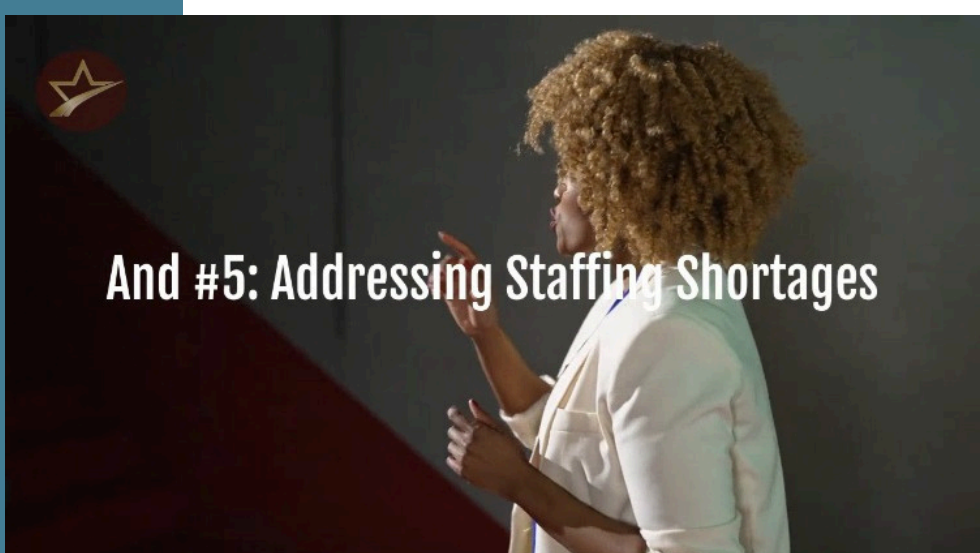

#3: Ensuring Wellness and Mental Health

#4: Enhancing Educator Professional Learning

Restore levels of funding for instructional and leadership development and the logistical costs and considerations that make them possible

Provide improved salaries and benefits, working conditions, and teacher preparation programs that meet the needs of our fast changing society

And #5: Addressing Staffing Shortages
